Remarks

This move-in ready home is in a location convenient to shopping, restaurants, schools, hospitals and everything else you could need! It is also just a short drive to the beach! The backyard is fully fenced, the lanai has already been screened in, and it is ready to enjoy the incredible Florida weather! The floor plan is fantastic with the primary bedroom on the first floor and guest bedrooms upstairs along with a loft. Tastefully upgraded with solid surface countertops throughout, wood look tile downstairs in the main living area, a paved driveway, and more! Schedule a time today to come see this one in person!
